- Hanging Hardware
 - Swag Hooks (4)
 - Ring Hangers (4) *already attached to back of Ceiling Mirror Frame)
 - Screws for stubs

Required Tools:

- Hand Drill
- Tape Measure
- Pencil (recommended) or Pen
- Ladder or lift

Mounting Instructions:

- (Tape Measure) – Choose one Ring Hanger, and measure distance between all (4) Ring Hangers attached on back of Ceiling Mirror Frame. Distance should be measured in “clockwise” direction.
 - Write down distance on piece of paper starting for each distance measured (see example below)

Measurement Chart

Ring Hanger “1” to Ringer Hanger “2” = _____ (i.e. 30 inches)
Ring Hanger “2” to Ringer Hanger “3” = _____ (i.e. 20 inches)
Ring Hanger “3” to Ringer Hanger “4” = _____ (i.e. 30 inches)
Ring Hanger “4” to Ringer Hanger “1” = _____ (i.e. 30 inches)

- (Tap Measure + Pencil) – Transfer measurements from completed chart to ceiling. Mark each point on ceiling with pencil.
- (Hand Drill) – Drill ¼ inch hole at each pencil mark made on ceiling.
- (Swag Hook) – Insert Swag Hooks (4) in each hole drilled into ceiling.
- (Ladder or lift) – Hang each Ring Hanger onto each Swag Hook.

Congratulations! You’ve joined the Love is Above family; now start seeing what you’ve been missing!!!
